

There will be a title page to begin the section.

There will be a selection screen with different topics to choose from. We zoom into the Gifts & Entertainment segment to start topic.

QUALITY

PRICE

RELIABILITY

Chevron purchases and sells products and services based on quality, price ...

Each item pops up when mentioned.

IMPARTIAL

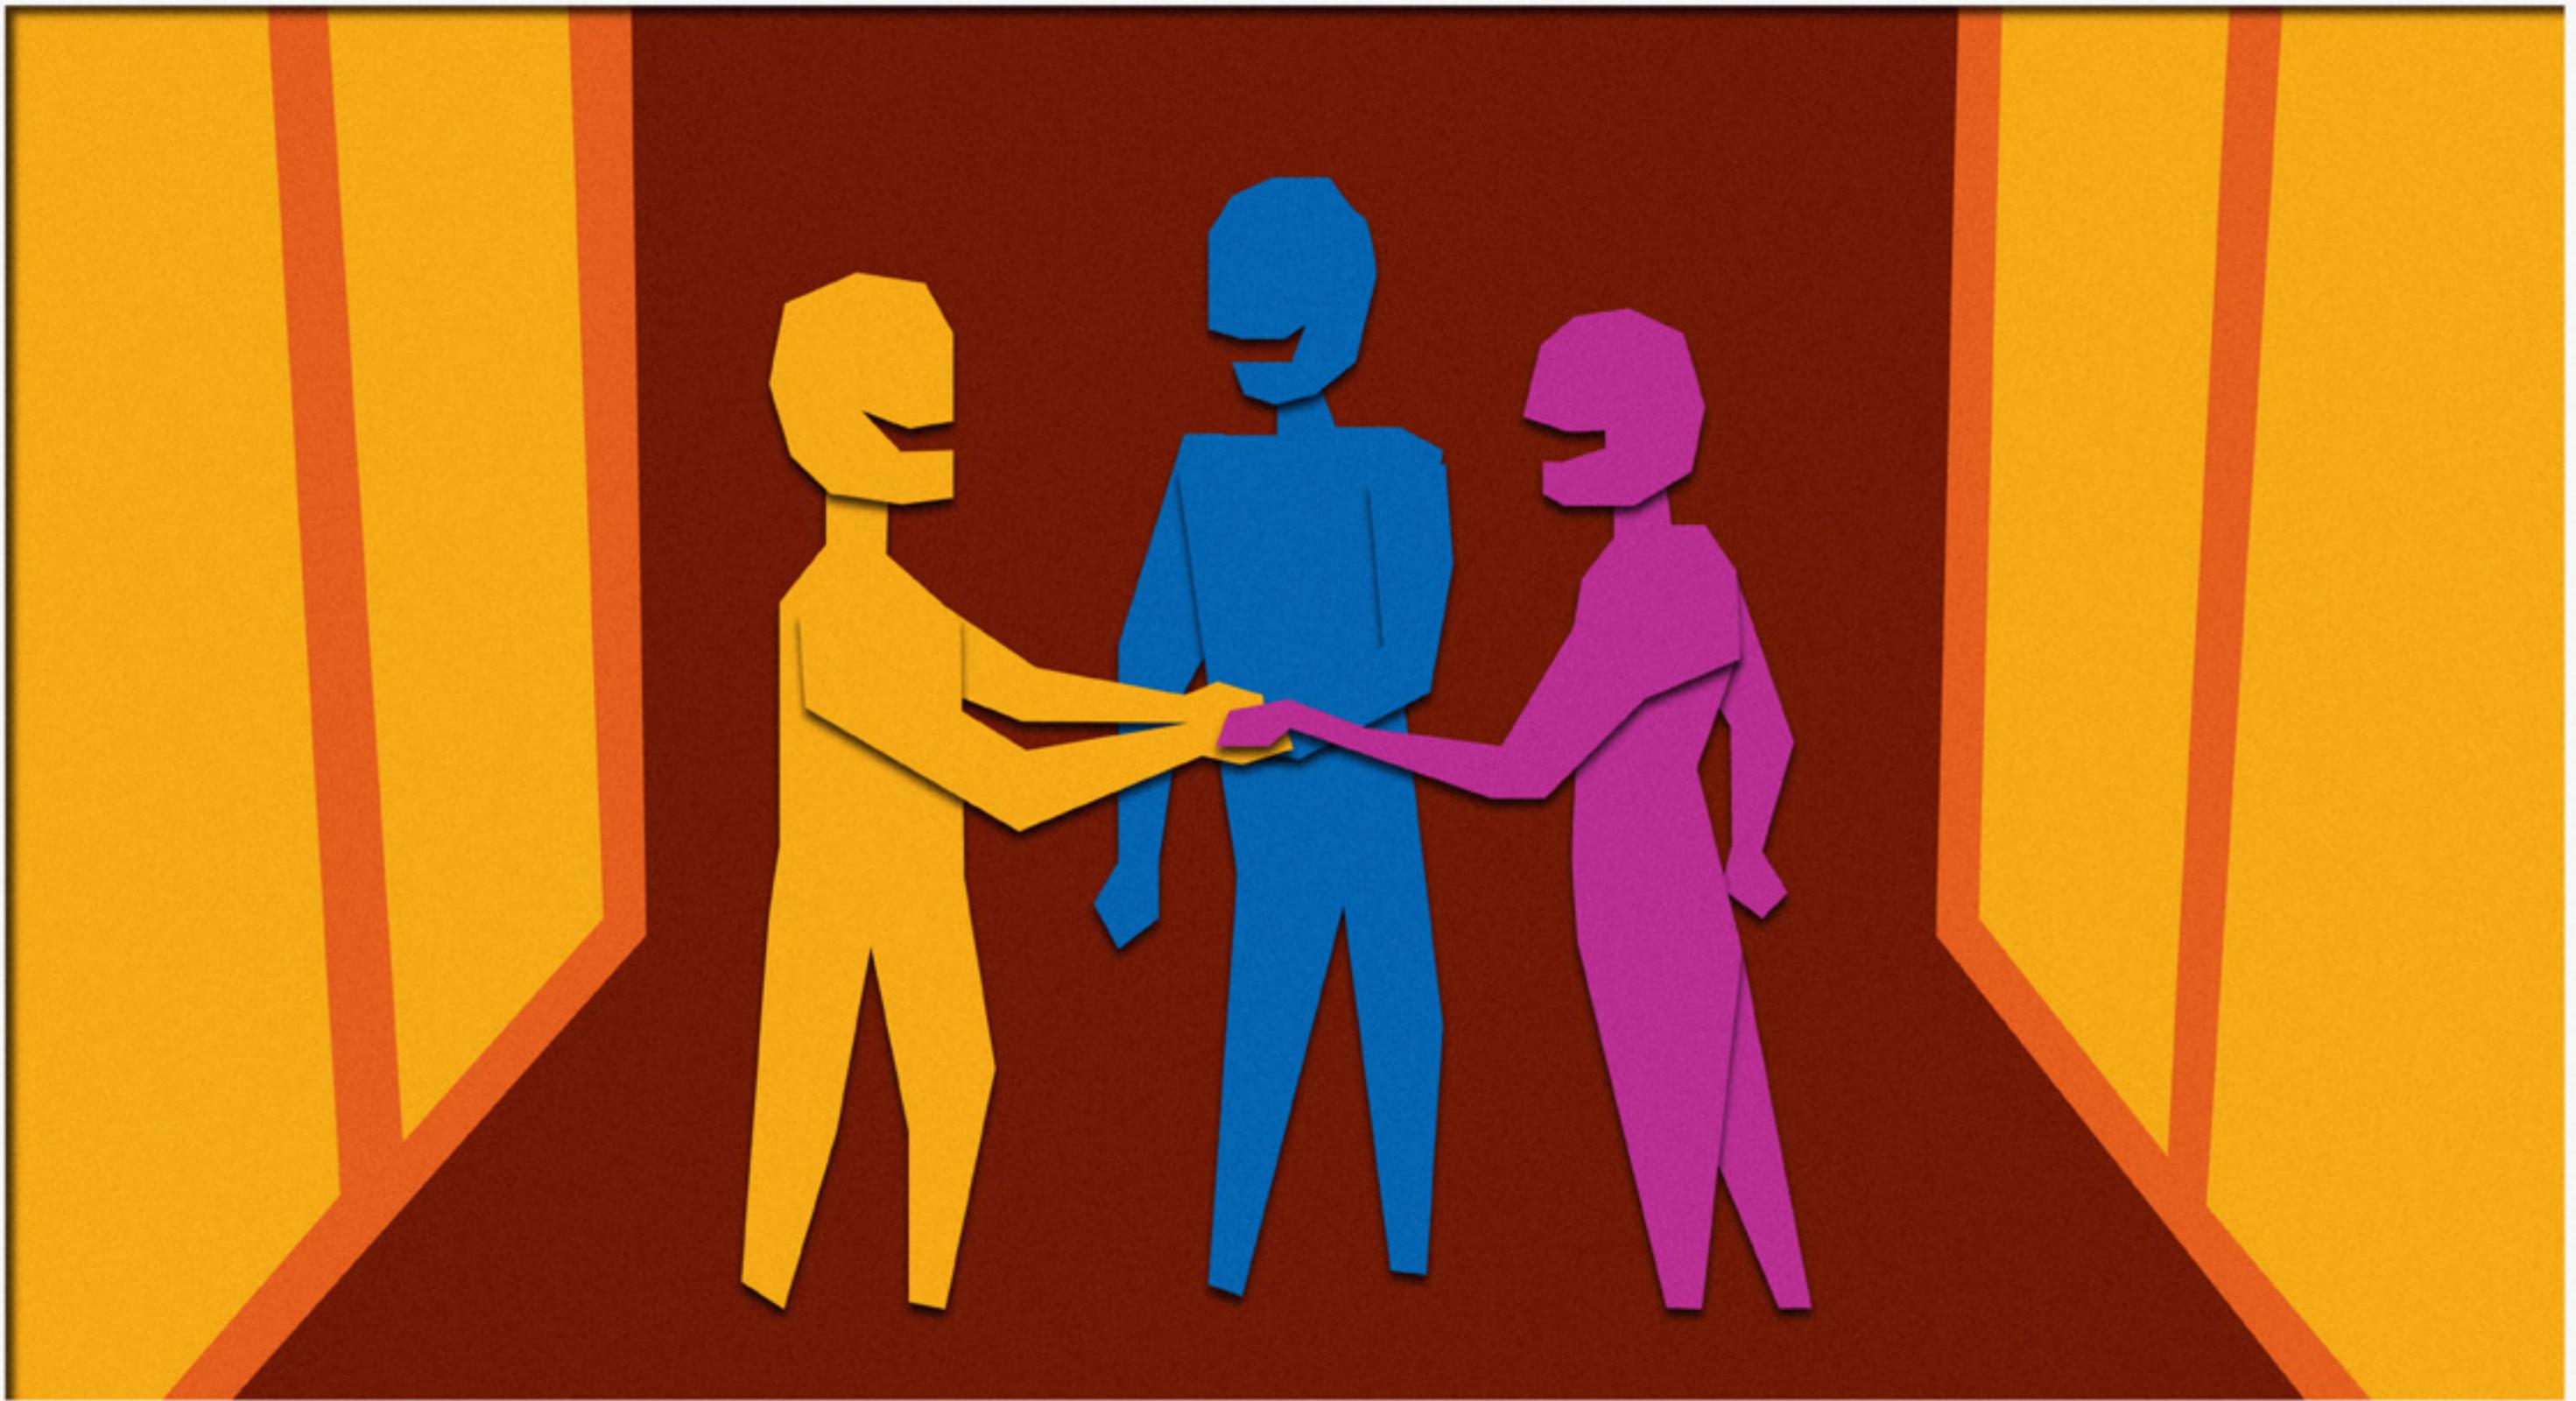

OBJECTIVE

**FREE OF OUTSIDE
INFLUENCE**

Our business transactions should be impartial, objective, and free of outside influence...

Each item pops up when mentioned.

We as an organization recognize that long-term relationships with customers and suppliers are enhanced by reasonable gestures of corporate hospitality...

All three characters shake hands.

such as meals, tickets, to events, entertainment or small tokens offered or exchanged in the normal course of business...

Scenes pop in when mentioned. Each scene has minor movements from characters as they talk and exchange gifts.

Although these gestures of hospitality are designed to foster healthy business relationships, giving or accepting gifts of more than a niminal value and cash of any amount ...

The gift is exchanged between characters and they shake hands.

...creates a conflict of interest and may either compromise or appear to compromise your ability to make objective and fair business decisions....

Character looks at gift, scratches head, and question mark appears.
